Give God the First...

At the beginning of last Sunday's morning worship service, I mentioned a list of "firsts" that we could give to God in order to help us have a great 2017. Several asked for that list again and it was suggested that it be printed in this week's bulletin. As you consider your life and how you might strengthen or improve your relationship with God this year, I hope that you will commit to giving God these firsts:

*Give God the first hour of each day.
Give God the first day of each week.
Give God the firstfruits of your pay.
Give God the first consideration in your decisions.
Give God the first place in your heart.*

May God bless us this year as we strive to serve Him and to grow closer to Him in our spiritual lives.
