

CHASE PARK MESSENGER

Happy Father's Day

Though it may not get quite as much attention as Mother's Day, this is a very important day for recognizing the contributions and hard work of our fathers. Fathers, by God's design, have a very important role in the home. They are instructed and commanded to be the physical and spiritual leaders in the home. Their influence and example should lead the family in its faithfulness to God. In Ephesians 6:4, Paul says, "*And you fathers, do not provoke your children to wrath, but bring them up in the training and admonition of the Lord.*" Notice that this command is addressed to fathers. That's not to say that mothers do not have a part in the process and responsibility as well, but it is the father who has the God-given responsibility of making sure that godly training and teaching takes place in the home. What a great and sobering task that is!

We are blessed in this congregation with a wonderful group of young people who have a love for God and a desire to serve Him faithfully. The main reason for that is that we have godly fathers and mothers who are working hard to teach and train their children. We are blessed with many men and fathers who take their role and responsibilities very seriously. They are involved with their children and with the church. They are leading their families by example. They, along with their wives, are striving to train their children to someday be the Christian men and women that God would have them to be. Fathers, thank you for your strength, example, and leadership. Thank you for your strong Christian character. Thank you for your dedication to the Lord and His church. And thank you for your determination to bring up your children "in the nurture and admonition of the Lord."

Rusty

Welcome, Guests

We are honored that you have chosen to visit with us today! Our time of worship together on the Lord's Day is one of the highlights of each week and we are thrilled to be able to share this special time with you.

As we worship, our desire is to do so according to the New Testament pattern and in a way that is pleasing and acceptable to God. It is also our prayer that our time together is uplifting to those who are here including you, our guests. If you have any questions about anything that you see or hear today, please feel free to ask. We would love to speak with you about those things and help you in any way that we can.

Outreach—Pat Cowden

Last night, Lord willing, we held the 12th meeting of the OHM ministry. We will have had somewhere near 220 members of Chase Park involved and 25 or more visitors. That is a great start to an effort to reach our community. We would love for you to come as we start the next round of fellowship and devotion as we reach out to those we have contact with (Matthew 5:16).

Tomorrow, Lord willing, I will be speaking at the evening session at Camp Ney-A-Ti. My topic is "Captivity" from 2 Corinthians 10:5, which talks about the most difficult command in the Bible (in my opinion). In this verse, Paul teaches us that it is God's will that we strive to bring every thought into captivity to the obedience of Christ.

Wow! Every thought. When I think about the concept of "every thought" my mind swiftly goes to Genesis 6:5 where "the Lord saw that the wickedness of man was great in the earth, and that **every intent of the thoughts** of his heart was **only evil continually**." This paints a picture of the exact opposite of what the Holy Spirit through Paul says is the aspirational goal of all Christians.

From a statistical process control standpoint, when something happens, every time or almost every time, with almost no exceptions, it is said to be "in control." To make application of this mathematical "truth" to spiritual matters related to our thoughts, we could make the following observations:

- If "every intent of our thoughts is only evil continually", we are "in control" or controlled by something...
- And, if we are "in control" related to evil thoughts....
- Then, we are "in control" or controlled by something evil, i.e. the devil.

However,

- If "every thought is brought into captivity to the obedience of Christ" we are also "in control" or controlled by something...
- And, if we are "in control" related to good (Christ approved) thoughts...
- Then, we are "in control" or controlled by something good, i.e. Christ.

This is not to say that we are overpowered by the devil or by Christ. That is the whole point of Genesis 6:5 and 2 Corinthians 10:5. We are totally responsible for what we allow to control our thoughts. If we want to please God, we will strive to bring our thoughts into control for Christ.

Remember, I love you in the Lord and want to go to heaven with you.
